## Notes

A single solitary sperm cell – that's all it takes! An amusing, or romantic depending on your way of thought, gift or novelty item. What better way to show you care, or want to make a baby, or want to make someone roll around with laughter?

The sperm works up to around 18-19 inches from head to tip of tail, depending on yarn and hook used.

**Skill Level:** Easy

**You will need:** DK or thicker yarn in your chosen colour  
Contrast Yarn for Mouth, if desired  
Toy Stuffing  
Two Black Safety eyes (7.5mm or 9mm depending on yarn)

**Hook:** According to chosen yarn or tension (I used a 3.00mm hook for DK yarn)

I use US crochet notation (despite me being British!).

**Abbreviations:**

ch	Chain
sc	Single Crochet
FO	Fasten Off
sc2tog	Single Crochet the next 2 stitches together
st	Stitch
dc	Double Crochet
